

 <div style="text-align: center;"> <p>Mrs. Daley's and Mrs. Larson's</p> <h2 style="margin: 0;">Inside Stuff</h2> <p>September 24th - 28th, 2018</p> </div> 
--

<p>Monday <i>Media Today</i></p> 	<p>Mrs. LeClaire will be in two afternoons this week to do a STEM lesson with us.</p>
<p>Tuesday</p>	<p>We will continue to work on making connections as a comprehension strategy this week. We have talked about connections with text. Today we will do a compare and contrast activity called a Double Bubble in pairs.</p>
<p>Wednesday</p>	<p>We started module #4 in math this week. This module focuses on double digit addition and subtraction in story problems.</p>
<p>Thursday</p>	<p>We will start our Mind Up lessons today. This curriculum was developed to teach children how their brain functions. They promote mindful attention to oneself and others, understanding differences, and how to work as a community of learners.</p>
<p>Friday</p>	<p>We will work on a tints and shades art project today and have an apple treat in honor of Johnny Appleseed's birthday.</p>

Weekly Specialist Schedule

Mrs. Daley
Phy Ed - M,W,F
Music - T,TH

Mrs. Larson
Phy Ed - T,TH
Music - M,W,F

We will send an "Inside Stuff" home each Friday. We will also add it to our third grade web page.
