Welcome Back to School!

I am so excited you will be in my class this year, homeroom 24. We are going to have a **SUPER** year! Our theme this year is **S**uperheroes. We will learn to use our **SUPER** learning powers to learn and practice many new strategies and skills!

I have been spending my summer learning new teaching strategies and preparing for our **SUPER** year. I have been a teacher for 28 years, but am still as excited to start school as I was my first year! I have taught at Fernbrook for 7 years. I started in fourth grade and now have settled in third. I have also taught 7th, 6th, 5th, and 4th grade in our district and in Wisconsin! My children Ryan, Mallory, Mallory's husband Tommy, and Zachary all went to school here too! Fernbrook is **SUPER**!

I hope you will come meet me during our Open House, August from 4:00-6:00. During Open House, you can bring your family to meet me and see your new classroom. I will have your desk ready so you can bring your labeled school supplies if you wish. I can't wait to hear about what you enjoyed doing this summer and what you enjoy about school. Be sure to tell me when we meet. If you can't come during Open House, feel free to email me, and we can set up a time to meet before school starts!

You will also get to meet our student teacher for the fall, Ms. Sheeks. I am excited to show her how **SUPER** it is to be a third grade teacher and spend the day with third graders.

I hope you enjoy the rest of your summer. I will be busy getting our classroom ready. I also hope to read and kayak some more. I hope you've been reading this summer. Reading is my favorite subject.

See you on August 30,

Ms. Tracy
