Volunteer Interest Form

Our students need your time and talents to help build a strong link between Oak View Elementary and home. Be a piece of Oak View, and show your kids your school spirit by volunteering.

Filling out this form is NOT a commitment on your part. From the interests you express, we will make our calling lists. This information gives us a starting place in our efforts. We need a new application on file for every volunteer every year! **Please return an application now if you think there is any possibility that you may volunteer at any time during the year.** Thank you!
